Gentlemen:

Supplemental permit is hereby granted to Land & Lakes Company to modify the the operation of the facility to include operation in Phase III-C all in accordance with the plans prepared by Charles W. Greengard Associates, Inc. Final plans, specifications, application and supporting documents as submitted and approved shall constitute part of this permit and are identified on the records of the Illinois Environmental Protection Agency, Division of Land Pollution Control by the permit number(s) and log number(s) designated in the heading above.

The permit is issued subject to the following special conditions:

1. This permit is to allow use of only that portion of the site designated as Phase III-C as shown on the revised plan sheet, drawing number 1750, received by this Agency on January 16, 1987. No waste may be deposited in any additional areas until they have been developed according to plans and supplemental operating permits for the developed area have been obtained.
2. This permit is subject to review and modification by the Agency as deemed necessary to fulfill the intent and purpose of the Environmental Protection Act, and all applicable environmental rules and regulations.
3. This Agency reserves the right to require installation of additional monitoring devices, to alter the selection of parameters to be analyzed and to alter monitoring frequencies as may be necessary to fulfill the intent of the Environmental Protection Act.
4. Except as modified in the above documents, and other supplemental permits issued to this facility, the site shall be operated in accordance with the terms and conditions of Permit No. 1976-17-OP, dated December 13, 1982 and all valid supplemental permits.
